

K-LOVE radio offers me an alternative to offensive music and programming. It would be a disservice to our community to not have a this option due to giving LPFM a priority over FM translator service and leave us without a signal for KLOVE. There are many people in our community who enjoy access to KLOVE and Christian radio stations whose priority is to promote wholesome values. This can only improve the quality of life in America. Please don't take this away from us! Thank you.
